Multi scale approaches and multiphysics couplings in fluid and solid mechanics

CERTIFICATE OF ATTENDANCE

To whom it may concern,

I the undersigned, Christian Geindreau, Deputy Director of the Laboratoire d'Excellence Tec 21 and Director of the Fed3G, hereby certify that **Marco Bolognin** attended the winter school entitled „Multi scale approaches and multiphysics couplings in fluid and solid mechanics“ that took place in Grenoble from the 16th to the 20th of January 2017. The programme included lectures and practical sessions accounting for 30 hrs of training.

This certificate is issued for all legal intents and purposes.

Grenoble, the 20th of January 2017

Christian Geindreau
