To Whom It May Concern

Dear Madam or Sir,

We confirm that **Serhat Tonkul** participated at European Geothermal Congress 2022 (EGC 2022) 17-21 October 2022 at bcc in Berlin, Germany.

Serhat Tonkul is author/co-author of the following accepted contribution(s):

3D Modelling and Characterization of Stibnite Scale Formation in Germencik Geothermal Site, Büyük Menderes Graben, Western Turkey

Author(s): Tonkul, Serhat; Baba, Alper; Demir, Mustafa Muammer; Regenspurg, Simona; Kieling, Katrin

Presenting Author: Tonkul, Serhat

Submission Type / Conference Track: 3. Technology and Innovation - good practice

Status: Poster Speech

Session Details: 5E_Wed_S8-3: Fluids, **Time:** Wednesday, 19/Oct/2022: 2:30pm - 4:15pm, **Location:** A03+A04

3D Modelling and Characterization of Scale Types in Hyper Saline Geothermal System in Tuzla Geothermal Power Plant, NW Turkey

Author(s): Tonkul, Serhat; Baba, Alper; Demir, Mustafa Muammer; Regenspurg, Simona; Kieling, Katrin

Presenting Author: Tonkul, Serhat

Submission Type / Conference Track: 3. Technology and Innovation - good practice

Status: Poster Speech

Session Details: 5E_Wed_S8-3: Fluids, **Time:** Wednesday, 19/Oct/2022: 2:30pm - 4:15pm, **Location:** A03+A04

With best regards,

EGC 2022 Organizing Committee
