Author Correction: Quantum Landauer erasure with a molecular nanomagnet

R. Gaudenzi , E. Burzurí, S. Maegawa, H. S. J. van der Zant and F. Luis 

Correction to: *Nature Physics* <https://doi.org/10.1038/s41567-018-0070-7>, published online 19 March 2018.

In the version of this Letter originally published, the key to the green and open circles in Fig. 4 was reversed; it should have shown that the green circles correspond to ‘From χ versus T ’ and the open circles correspond to ‘From χ versus H_y .’ This has now been corrected in all versions of the Letter.
