

J.A. Kuijper
Theory, Territories & Transitions

Joran Kuijper (1987) graduated in 2014 at the Faculty of Architecture and the Built Environment, Delft University of Technology. Currently he is involved in Delft as a lecturer and researcher in the group of Architectural Design Crossovers. Within the academic environment he has been member of several editorial teams, as for example in 2012 for the international conference 'New Urban Configurations'. He is a tutor in Bachelor and Master architectural design studios and is preparing his PhD research 'Learning from Disneyland: Urban Architecture in Disney's Theme Parks'.
